That Is Qualification for Membership

PHILADELPHIA, PA., August 11.—
Ceach William Roper, of the Princeton University football team, announced to-day that the management had scheduled a game with the Virginia Polytechnic Institute for October 17th in place of Swarthmore College, which institution recently decided to abolish athletics for the coming year.

Mr. Roper also declared that the football candidates would be called out on September 23d, which is later than usual, due to a request of the faculty that athletics begin at a time concurrent with the opening of the college term.

That Is Qualification for Membership in New League.

MONTCLAIR, N. J., August 11.—One smile a day and the effort to make others smile are the qualifications to membership in an "Optimistic League" which to-day is being pushed in this town. The following resolutions are the basis of the organization:

"Whereas, We believe that the bustiness depression we have all been entitying the last few months is durprimarily to a lack of confidence, and "Whereas, We believe that prosperity does not exist if good, patriotic citizens will only recognize it, and." "Whereas, We believe also that the best way to hasten the good times which are surely here is to take an optimistic view of things; we, the undersigned, have decided to form an association to be called "The Optimistic League."

The idea of the league is taking hold here in lively style, and to-day the business men of the town are all a-grin. PRINCETON TO PLAY V. P. I.
